Diversifying Clinical Psychology Conference

April 22-23, 2021

This virtual conference is aimed at outstanding *undergraduates* and *recent graduates* from underrepresented groups interested in earning their Ph.D. in Clinical Psychology.

Opportunities to present virtual research posters (with cash prizes for best posters), networking with directors from Clinical Psychology Ph.D. programs, and individualized CV feedback will be made available. Submitting an abstract is not required to attend, but strongly encouraged.

Submit abstracts and application by 4/9/21:
<https://forms.gle/gCVichW9CqtCZDf59>
